

**CONSUMER NOTES**

Get ready, anime fans 'cause the Comic Party has officially started! Comic Party DVD 1, the hilarious anime spoof, arrives this month complete with a very cool Limited Edition Slipcase Artbox! Slayers Excellent and Wedding Peach are also arriving this month and are just waiting to fill all your action and comedy needs! On a side note, you might have noticed all the older Bandai titles in this month's issue... Bandai has assigned new part numbers to their discs, but nothing about the actual disc content has changed. It's worth noting, however, that some classic hits like Escaflowne, Gundam Wing, and Outlaw Star, have gotten some pretty nice price cuts!

## ANIMANIAC'S PICKS OF THE MONTH

March is a time for great beginnings and endings. First up on the schedule is the ever popular Chobits! The 7th volume will solve the questions of Chi and Hideki's fate as one of Geneon's most popular series ever comes to an end! Also, the final volume of Bandai's .hack//Sign series will be out this month, and "The World" is about to change forever! If you're looking for a good beginning, Funimation releases Tenchi GXP DVD 1! Spot your favorite Tenchi Muyo characters popping up and fall for a whole new gang of friends. Lastly, I'm Gonna Be An Angel has finally arrived after its long delay.
